

BILL WU

Bill Wu went through college in Canada, but with a conservative in-born mind of the East.

Bill has been a board member of the CCCA since 2010 and since then, has been a productive contributor to our weekly news articles and a very astute copy editor.

Bill is working on Bucket List at this point and would like to “make a difference.”

Bill has indicated that he would relish retirement if MAX co-operates. Bill has the distinguished title of “Chinese Chess Champion” of the CCCA. He has not lost a game yet!
